(the “Company”) for use at the annual general meeting (the “Meeting”) of the shareholders of the Company (the “Shareholders”) to be held on November 26, 2021 and any adjournment or postponement thereof, for the purposes set forth in the attached Notice of Annual General Meeting. Except where otherwise indicated, the information contained herein is stated as of October 20, 2021.

In this Information Circular, references to the “Company” and “we” refer to South Star Battery Metals Corp. “Common Shares” means common shares without par value in the capital of the Company. “Registered Shareholders” means Shareholders whose names appear on the records of the Company as the registered holders of Common Shares. “Non-Registered Shareholders” means Shareholders who do not hold Common Shares in their own name. “Intermediaries” refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Non-Registered Shareholders. INTRODUCTION

In order to comply with measures imposed by the federal and provincial governments related to the COVID-19 pandemic, and to mitigate risks to the health and safety of our communities, Shareholders, and other stakeholders, unless we advise otherwise by way of news release, **the Company is holding a virtual Meeting which will be conducted via video conference.** Registered Shareholders and validly appointed proxyholders may contact Samantha Shorter, Corporate Secretary at s.shorter@southstarbatterymetals.com or 604-868-5394 to obtain a web link that will permit them to attend the Meeting by video conference.

Due to the COVID-19 pandemic and issues related to the verification of Shareholder identity, in person voting will not be permitted at the Meeting. If you are a Registered Shareholder and wish to have your vote counted, you will be required to complete, date, sign and return, in the envelope provided for that purpose, the accompanying form of proxy (“Proxy”) for use at the Meeting or any adjournment thereof (or vote in one of the other manners described below under the heading “Appointment and Revocation of Proxies”).

If you are a Non-Registered Shareholder and have received this Notice of Meeting and accompanying materials through an Intermediary, please complete and return the voting instructions form provided to you in accordance with the instructions provided therein.

GENERAL PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company. The Company will bear all costs of this solicitation. We have arranged to send Meeting materials directly to Registered Shareholders, as well as Non-Registered Shareholders who have consented to their ownership information being disclosed by the Intermediary holding the Common Shares on their behalf (non-objecting beneficial owners). We have not arranged for Intermediaries to forward the Meeting materials to Non-Registered Shareholders who have objected to their ownership information being disclosed by the Intermediary holding the Common Shares on their behalf (objecting beneficial owners). As a result, objecting beneficial owners will not receive the Information Circular and associated Meeting materials unless their Intermediary assumes the costs of delivery.

Appointment and Revocation of Proxies

The individuals named in the accompanying form of proxy (the “**Proxy**”) are officers of the Company or solicitors for the Company. **If you are a Registered Shareholder, you have the right to attend the Meeting, vote by proxy and to appoint a person or company other than the person designated in the Proxy, who need not be a Shareholder, to attend and act for you and on your behalf at the Meeting.** You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of Proxy.

If you are a Registered Shareholder and wish to have your shares voted at the Meeting, you will be required to submit your vote by proxy. **Due to the COVID-19 pandemic and issues related to the verification of shareholder identity, in person voting will not be permitted at the Meeting.** Registered Shareholders electing to submit a proxy may do so by completing, dating and signing the enclosed Proxy and returning it to the Company’s transfer agent, Computershare Investor Services Inc. (“**Computershare**”), in accordance with the instructions on the Proxy. Alternatively, Registered Shareholders may vote their shares via the internet or by telephone as per the instructions provided on the Proxy.

In all cases you should ensure that the Proxy is received at least two business days before the Meeting or the adjournment or postponement thereof at which the Proxy is to be used.

Every Proxy may be revoked by an instrument in writing:

- (i) executed by the Shareholder or by his/her attorney authorized in writing or, where the Shareholder is a company, by a duly authorized officer or attorney of the company; and
- (ii) delivered either to the registered office of the Company at any time up to and including the last business day preceding the day of the Meeting or any adjournment or postponement thereof, at which the Proxy is to be used, or to the chairman of the Meeting on the day of the Meeting or any adjournment or postponement thereof,

or in any other manner provided by law.

Only Registered Shareholders have the right to revoke a Proxy. Non-Registered Shareholders who wish to change their vote must, at least seven days before the Meeting, arrange for their respective Intermediaries to revoke the Proxy on their behalf. If you are a Non-Registered Shareholder, see “Voting by Non-Registered Shareholders” below for further information on how to vote your Common Shares.

Exercise of Discretion by Proxyholder

If you have the right to vote by proxy, the persons named in the Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (i) each matter or group of matters identified therein for which a choice is not specified;
- (ii) any amendment to or variation of any matter identified therein;
- (iii) any other matter that properly comes before the Meeting; and
- (iv) exercise of discretion of the Proxyholder.

In respect of a matter for which a choice is not specified in the Proxy, the persons named in the Proxy will vote the Common Shares represented by the Proxy for the approval of such matter. Management is not currently aware of any other matters that could come before the Meeting.

Given the fact that voting will only be permitted by proxy due to the COVID-19 pandemic, Management does not intend to allow new matters not contemplated in the Notice of Meeting to be considered at the Meeting.

Voting by Registered Shareholders

If you are a Registered Shareholder you may wish to vote by proxy whether or not you are able to attend the Meeting in person. Registered Shareholders electing to submit a proxy may do so by completing, dating and signing the enclosed form of proxy and returning it to the Company's transfer agent, Computershare Investor Services Inc., in accordance with the instructions on the Proxy.

In all cases you should ensure that the Proxy is received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment thereof at which the proxy is to be used. If completed Proxies are received after said deadline, they shall not be accepted for the purpose of voting at the Meeting unless authorized by the Chairman of the Meeting, in his or her sole discretion.

Voting by Non-Registered Shareholders

The following information is of significant importance to Shareholders who do not hold Common Shares in their own name. Non-Registered Shareholders should note that the only Proxies that can be recognized and acted upon at the Meeting are those deposited by Registered Shareholders.

If Common Shares are listed in an account statement provided to a Shareholder by an Intermediary, then in almost all cases those Common Shares will not be registered in the Shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the name of the Shareholder's Intermediary or an agent of that Intermediary. In Canada, the vast majority of such Common Shares are registered under the name of CDS & Co. as nominee for The Canadian Depository for Securities Limited (which acts as depository for many Canadian brokerage firms and custodian banks), and in the United States, under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many United States brokerage firms and custodian banks).

If you have consented to disclosure of your ownership information, you will receive a request for voting instructions from the Company (through Computershare). If you have declined to disclose your ownership information, you may receive a request for voting instructions from your Intermediary if they have assumed the cost of delivering the Information Circular and associated Meeting materials. Every Intermediary has its own mailing procedures and provides its own return instructions to clients. However, most Intermediaries now delegate responsibility for obtaining voting instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**") in the United States and in Canada.

If you are a Non-Registered Shareholder, you should carefully follow the instructions on the voting instruction form received from Computershare or Broadridge in order to ensure that your Common Shares are voted at the Meeting. The voting instruction form supplied to you will be similar to the Proxy provided to the Registered Shareholders by the Company. However, its purpose is limited to instructing the Intermediary on how to vote on your behalf.

The voting instruction form sent by Computershare or Broadridge will name the same persons as the Company's proxy to represent you at the Meeting. **Although as a Non-Registered Shareholder you may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of your Intermediary, you, or a person designated by you (who need not be a Shareholder), may attend at the Meeting as Proxyholder for your Intermediary and vote your Common Shares in that capacity.** To exercise this right to attend the Meeting or appoint a Proxyholder of your own choosing, you should insert your own name or the name of the desired representative in the blank space provided in the voting instruction form. Alternatively, you may provide other written instructions requesting that you or your desired representative attend the Meeting as Proxyholder for your Intermediary. The completed voting instruction form or other written instructions must then be returned in accordance with the instructions on the form.

If you receive a voting instruction form from Computershare or Broadridge, you cannot use it to vote Common Shares directly at the Meeting. The voting instruction form must be completed as described above and returned in accordance with its instructions well in advance of the Meeting in order to have the Common Shares voted.

Voting by Proxy Generally

Proxies will not be accepted at the Meeting. All Proxies must be submitted to Computershare by 10:00 a.m. (*Pacific Standard time*) on September 24, 2021 (the “**Proxy Deadline**”). Registered shareholders and validly appointed proxyholders may attend the Meeting by contacting Samantha Shorter, Corporate Secretary at s.shorter@southstarbatterymetals.com or 604-868-5394 to obtain a web link that will permit them to attend the Meeting by video conference.

As there will be no in person attendance or voting at the Meeting, votes received by the Proxy Deadline for each matter set out in the Notice will be tabulated in advance of the Meeting by Computershare and compiled in a Proxy report (the “**Proxy Report**”). The determination as to whether a particular matter has been approved, a particular individual has been appointed or a particular resolution has been passed will be made solely on the basis of the voting results set out in the Proxy Report. Since no in person voting will be permitted due to the COVID-19 pandemic and voting results respecting matters set out in the Notice will be determined solely on the basis of the voting results set out in the Proxy Report, **no ballots will be permitted at the Meeting.** All results will be determined by reference to the Proxy Report. Management of the Company will advise at the Meeting the voting results for each matter set out in the Proxy Report and Shareholders will be entitled to request a copy of the Proxy Report from Management after the Meeting.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

No person has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in matters to be acted upon at the Meeting other than the election of directors or the appointment of auditors. For the purpose of this paragraph, “person” shall include each of the following persons or companies: (a) if the solicitation is made by or on behalf of management of the Company, each person who has been a director, senior officer or insider of the Company at any time since the beginning of the Company’s last fiscal year; (b) if the solicitation is made other than by or on behalf of management of the Company, each person or company by whom, or on whose behalf, directly or indirectly, the solicitation is made; (c) each proposed nominee for election as a director of the Company; and (d) each associate or affiliate of any of the persons or companies included in subparagraphs (a) to (c).

RECORD DATE AND QUORUM

The board of directors (the “**Board**”) of the Company has fixed the record date for the Meeting as the close of business on October 20, 2021 (the “**Record Date**”). Shareholders of record as at the Record Date are entitled to receive notice of the Meeting and to vote their Common Shares at the Meeting.

Under the Articles of the Company, the quorum for the transaction of business at a meeting of Shareholders is, one person who is a Shareholder, or who is otherwise permitted to vote shares of the Company at a meeting of Shareholders pursuant to the Company’s articles, present in person or by proxy.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

On the Record Date there were 77,419,021 Common Shares issued and outstanding, with each Common Share carrying the right to one vote. Only Shareholders of record at the close of business on the Record Date will be entitled to vote by Proxy at the Meeting or any adjournment or postponement thereof.

To the knowledge of the directors and executive officers of the Company, as of the date of this Information Circular, there are no Shareholders who beneficially own, or exercise control or direction over, directly or indirectly, Common Shares carrying 10% or more of the votes attached to the Common Shares.

PARTICULARS OF MATTERS TO BE ACTED UPON

To the knowledge of the Company’s Board of Directors (the “**Board**”), the only matters to be placed before the Meeting are those set forth in the accompanying Notice of Meeting and discussed below.

The cease trade order was revoked on July 15, 2013 after Barkerville filed a technical report supporting the disclosure of a change in mineral resources that was compliant with National Instrument 43-101.

Appointment of Auditor

At the Meeting, Shareholders will be asked to approve the appointment of the auditor of the Company. Management is recommending that Shareholders vote to re-appoint Manning Elliott LLP, Chartered Professional Accountants, of 11th Floor, 1050 West Pender Street, Vancouver, British Columbia, V6E 3S7, as auditor of the Company until the next annual meeting of Shareholders and to authorize the directors to fix the remuneration to be paid to the auditor. Approval of Stock Option Plan

At the Meeting, Shareholders will be asked to approve the continuation of the Company’s 2014 stock option plan (the “**Plan**”). The Plan is a 10% rolling stock option plan prepared in accordance with and subject to the rules and policies of the TSX Venture Exchange (the “**TSXV**”). The purpose of the Plan is to provide incentive to employees, directors, officers, management companies and consultants who provide services to the Company and reduce the cash compensation the Company would otherwise have to pay.

The Plan complies with the current policies of the TSXV. Under the Plan, a maximum of 10% of the Company’s issued and outstanding shares are proposed to be reserved at any time for issuance on the exercise of stock options.

The following summary of the Plan does not purport to be complete and is qualified in its entirety by reference to the Plan.

1. **Eligible Participants.** Options may be granted under the Plan to directors or officers of the Company or an affiliate of the Company (collectively, the “**Directors**”), employees of the Company (collectively, the “**Employees**”) consultants of the Company or its affiliate (collectively, the “**Consultants**”) or Management Company Employees (as that term is defined in Policy 4.4 of the TSXV’s Corporate Finance Manual). 2. Number of Shares Reserved. The number of Common Shares which may be issued pursuant to options granted under the Plan may not exceed 10% of the issued and outstanding Common Shares of the Company from time to time at the date of granting of Options (including all options granted by the Company prior to the adoption of the Plan and under the Plan). Options which are cancelled or expire prior to exercise continue to be issuable under the Plan.
3. Limitations. Under the Plan, the aggregate number of options granted to any one person in a 12 month period must not exceed 5% of the issued and outstanding shares of the Company, calculated on the date the option is granted. The aggregate number of options granted to any one Consultant in a 12 month period must not exceed 2% of the issued and outstanding shares of the Company, calculated at the date the option is granted. The aggregate number of options granted to all persons retained to provide investor relations services to the Company (including Consultants and Employees or Directors whose role and duties primarily consist of providing investor relations services) must not exceed 2% of the issued and outstanding shares of the Company in any 12 month period, calculated at the date an option is granted to any such person.

5. Exercise Price. The exercise price of Options granted under the Plan is determined by the Board, provided that it is not less than the Discounted Market Price, as that term is defined in the TSXV's Corporate Finance policy manual or such other minimum price as is permitted by the TSXV in accordance with the policies from time to time, or, if the Common Shares are no longer listed on the TSXV, then such other exchange or quotation system on which the Common Shares are listed or quoted for trading. The exercise price of Options granted to insiders may not be decreased without disinterested shareholder approval at the time of the proposed amendment.
6. Vesting. All Options granted pursuant to the Plan will be subject to such vesting requirements as may be prescribed by the TSXV, if applicable, or as may be imposed by the Board.
7. Termination. Any Options granted pursuant to the Plan will terminate upon the earliest of:

 - (b) the end of the term of the Option;
 - (c) if the Cessation Date is as a result of dismissal for cause or regulatory sanction, then immediately on the Cessation Date; or
 - (d) if the Cessation Date is as a result of death or disability, then the date that is one year from the date of such death or disability.

Disinterested Shareholder approval will be sought in respect of any material amendment to the Plan.

Shareholder Approval

Shareholders will be asked at the Meeting to approve with or without variation the following ordinary resolution:

"BE IT RESOLVED THAT:

- (a) the Company's 2014 Stock Option Plan be approved, and that in connection therewith a maximum of 10% of the Company's issued and outstanding Common Shares at the time of each grant be approved for granting as options; and
- (b) the Board of the Company be authorized in its absolute discretion to administer the Plan and amend or modify the Plan in accordance with its terms and conditions and with the policies of the TSX Venture Exchange; and

On May 30, 2019, the Company entered into a term sheet employment agreement with Richard Pearce (the "**Pearce Agreement**") pursuant to which the Company agreed to retain Mr. Pearce to act as the President and the CEO of the Company until June 9, 2021. In consideration his services, the Company agreed to (i) pay Mr. Pearce a base salary of US\$15,000 per month, payable in Brazil R\$ converted at monthly average FX, provided the Company's treasury does not fall below \$100,000 cash; (ii) pay Mr. Pearce an annual cash bonus based on key performance indicators with a target range of 25% to 100% of his annual base salary, as recommended by the Company's Compensation Committee and approved by the Board; and (iii) issue a total of 1,500,000 stock options to Mr. Pearce during the term of the agreement with 25% vesting immediately and an additional 25% vesting every six months thereafter, at a strike price to be negotiated based on market price and exercisable for a term of five years from the date of grant. In the case of termination for cause, vested options will be exercisable within 90 days after termination. In the case of termination without cause, all unvested

options will immediately vest and be exercisable within 12 months after termination, and the Company will pay Mr. Pearce an amount equal to 6 months base salary if the termination occurs within the first 12 months of the agreement or pay him 12 months base salary plus pro rata of his previous annual bonus if the termination occurs after 12 months. In the case of termination as a result of a change of control, all unvested options will immediately vest, and the Company will pay Mr. Pearce an amount equal to two times the number of months base salary if the change of control occurs within the first six months of the agreement or two times his base salary plus previous annual bonus if the change of control occurs after 12 months. The Company is currently reviewing a new agreement to replace the Pearce Agreement that expired in June 2021. In the interim, the Company continues to compensate Mr. Pearce per the terms of the Pearce Agreement until the new agreement is approved by Mr. Pearce and the Board.

On October 1, 2017, the Company entered into a consulting agreement (the “**Red Fern Agreement**”) with Red Fern Consulting Ltd. (“**Red Fern**”) pursuant to which the Company agreed to pay Red Fern \$4,000 per month plus GST to retain Justin Blanchet to provide accounting and administrative services to the Company and to act as the CFO of the Company. The Red Fern Agreement is for a term commencing on October 1, 2017 for a minimum of eight months (the “**Term**”). The Term will be automatically renewed at the end of each consecutive Term unless otherwise agreed by the parties no later than one month prior to the end of the Term. The Red Fern Agreement may be terminated by the Company or Red Fern on sixty days’ notice to the other party. Oversight and Description of Director and NEO Compensation

The objective of the Company’s compensation program is to compensate the executive officers for their services to the Company at a level that is both in line with the Company’s fiscal resources and competitive with companies at a similar stage of development.

The Company compensates its executive officers based on their skill and experience levels and the existing stage of development of the Company. Executive officers are rewarded on the basis of the skill and level of responsibility involved in their position, the individual’s experience and qualifications, the Company’s resources, industry practice, and regulatory guidelines regarding executive compensation levels.

The Board has implemented three levels of compensation to align the interests of the executive officers with those of the shareholders. First, executive officers may be paid a monthly consulting fee or salary. Second, the Board may award executive officers long term incentives in the form of stock options. Finally, and only in special circumstances, the Board may award cash or share bonuses for exceptional performance that results in a significant increase in shareholder value. The Company does not provide medical, dental, pension or other benefits to the executive officers, except health benefits to the CEO. The Board of Directors has not considered the implications of the risks associated with the Company’s compensation policies and practices. The Company’s compensation policies and practices give greater weight toward long-term incentives to mitigate the risk of encouraging short term goals at the expense of long term stability.

The base compensation of the executive officers is reviewed and set annually by the Board. The CEO has substantial input in setting annual compensation levels. The CEO is directly responsible for the financial resources and operations of the Company. In addition, the CEO and Board from time to time determine the stock option grants to be made pursuant to the Company’s Stock Option Plan. Previous grants of stock options are taken into account when considering new grants. The Board awards bonuses at its sole discretion. The Board does not have pre-existing performance criteria or objectives.

The salary for each NEO is primarily determined having regard to his position, responsibilities, the assessment of such individual's performance and overall Company performance as presented by management to the Board of Directors. A cash bonus may be awarded to reward extraordinary performance that has led to increased value for shareholders through property acquisitions or divestitures, the formation of new strategic or joint venture relationships, or capital raising efforts. Grants of stock options are intended to enforce and encourage the executive officer's commitment to the Company's growth and the enhancement of share value and to reward executive officers for the Company's performance. The grant of stock options, as a key component of the executive compensation package, enables the Company to attract and retain qualified executives.

The Company does not have a formal policy prohibiting a NEO or a director of the Company from purchasing financial instruments that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the NEO or director of the Company. However, there is an understanding that the NEOs and directors of the Company will not purchase such financial instruments, and no NEO or director of the Company has purchased such financial instruments as of the date of this Management Information Circular.

Compensation for the two most recently completed financial years should not be considered an indicator of expected compensation levels in future periods. All compensation is subject to and dependent on the Company's financial resources and prospects.

The Company has no standard arrangement pursuant to which directors are compensated by the Company for their services in their capacity as directors except for the granting from time to time of incentive stock options in accordance with the policies of the TSX Venture Exchange.

INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

No informed person (a director, officer or holder of 10% or more of the Common Shares) or nominee for election as a director of the Company or any associate or affiliate of any informed person or proposed director had any material interest, direct or indirect, in any transaction since the commencement of the Company's most recently completed financial year or in any proposed transaction which has materially affected or would materially affect the Company or any of its subsidiaries.

MANAGEMENT CONTRACTS

Management functions of the Company or any of its subsidiaries are not to any substantial degree performed by anyone other than the directors or executive officers of the Company or subsidiary.

STATEMENT OF CORPORATE GOVERNANCE

Corporate Governance

Corporate governance relates to the activities of the Board, the members of which are elected by and are accountable to the Shareholders, and takes into account the role of the individual members of management who are appointed by the Board and charged with the day to day management of the Company. The Canadian Securities Administrators ("CSA") have adopted National Policy 58-201 *Corporate Governance Guidelines*, which provides non prescriptive guidelines on corporate governance practices for reporting issuers such as the Company. In addition, the CSA has implemented National Instrument 58-101 Disclosure of Corporate Governance Practices ("**NI 58-101**"), which prescribes certain disclosure by the Company of its corporate governance practices. This disclosure is presented below.

Board of Directors

The Board currently consists of six directors: David McMillan, Eric Allison, Richard Pearce Jr., Daniel Wilton, Marc Leduc and Priscila Costa Lima. It is proposed that all six directors be nominated at the Meeting.

A director is independent if he or she has no direct or indirect "material relationship" with the Company. A "material relationship" is a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of the director's independent judgment. Two directors, Richard Pearce Jr., CEO, and David McMillan, Chairman of the Company, are considered not independent.

Other Directorships

The following table sets forth the current directors of the Company who are directors of other reporting issuers:

Name	Name of other reporting issuer
David McMillan	Interra Copper Corp. Guardian Exploration Inc.
Eric Allison	BioELife Corp.
Richard Pearce Jr.	None
Daniel Wilton	First Mining Gold Corp. Treasury Metals Inc.
Marc Leduc	Silver Elephant Mining Corp. South Atlantic Gold Inc.
Priscila Costa Lima	None

Orientation and Continuing Education

Orientation of new members of the Board is conducted by informal meetings with members of the Board, briefings by management, and the provision of copies of or access to the Company's documents.

The Company has not adopted formal policies respecting continuing education for Board members. The Company encourages directors to undertake continuing education the costs of which are borne by the Company.

Ethical Business Conduct

The Board has not adopted a formal code of business conduct and ethics. The Board is of the view that the fiduciary duties placed on individual directors by the Company's governing legislation and common law together with corporate statutory restrictions on an individual director's participation in Board decisions in which the director has an interest are sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Nomination of Directors

The Board considers its size each year when it considers the number of directors to recommend to the shareholders for election at the annual general meeting. The Board takes in to account the number of directors required to carry out the Board's duties effectively and to maintain diversity of views and experience.

The Board has not established a nominating committee and this function is currently performed by the Board as a whole.

Compensation

The Board has established a Compensation Committee comprised of David McMillan (Chair), Daniel Wilton and Marc Leduc. The Compensation Committee is responsible for reviewing and determining the adequacy and form of compensation paid to the Company's executives and key employees. The Compensation Committee evaluates the performance of the Chief Executive Officer and other senior management measured against the Company's business goals and industry compensation levels.

Board Committees

The Board has no committees other than the Audit Committee, Governance Committee and Compensation Committee.

Assessments

The Board, its committees and individual directors are not regularly assessed with respect to their effectiveness and contribution. The Board believes that such assessments are more appropriate for companies of a larger size and complexity which may have significantly larger boards of directors. Where appropriate the chair of the Board meets with individual directors to discuss their contribution and that of the other directors. Arising from such meetings, if appropriate, the Board considers procedural and substantive changes to increase the effectiveness of the Board, its committees and members.

AUDIT COMMITTEE
